

# Parents – Teachers Morning

Monday 11<sup>th</sup> April 2022-23

# School Vision

**Experience Excellence**

# School Mission

1. Educate our young angels in most conducive environment through well blended theory and pragmatic approach.
2. While teaching entire syllabus with commitment, emphasis remains on the subject of Science, Technology, Engineering & Math (STEM), as our core competency.
3. Clarity of basic concepts and stronger foundation in Junior Schools, define the path for our young stars to move on higher learning course with confidence and distinction.
4. Personally grooming and development of social skills including mannerism, responsibility, team work, analytical thinking, confidence, and leadership.

# Themes for year

## Review

What needs to change?

## Communication

Who to speak to?

## Consistency

For everyone by everyone

# The Iceberg Illusion

Success is an iceberg

Student  
**SUCCESS!**

WHAT PEOPLE SEE

Persistence

WHAT PEOPLE DON'T SEE

Dedication

Failure

Hard work

Sacrifice

Good habits

Disappointment

**Seven Ways Parents Can Promote Learning**

**1. Build your child's frustration tolerance level**

Be supportive

Homework

**2. Be a stress reducer**

Listen to them

**3. Be a role model**

work Play

**4. Value education**

Promote the importance of learning

**5. Communicate**

Talk to them often

**6. Be an advocate for your child**

Get to know their issues

Stressed

**7. Use your resources wisely**

Teach what you know

Hire a tutor

**Understand your child**

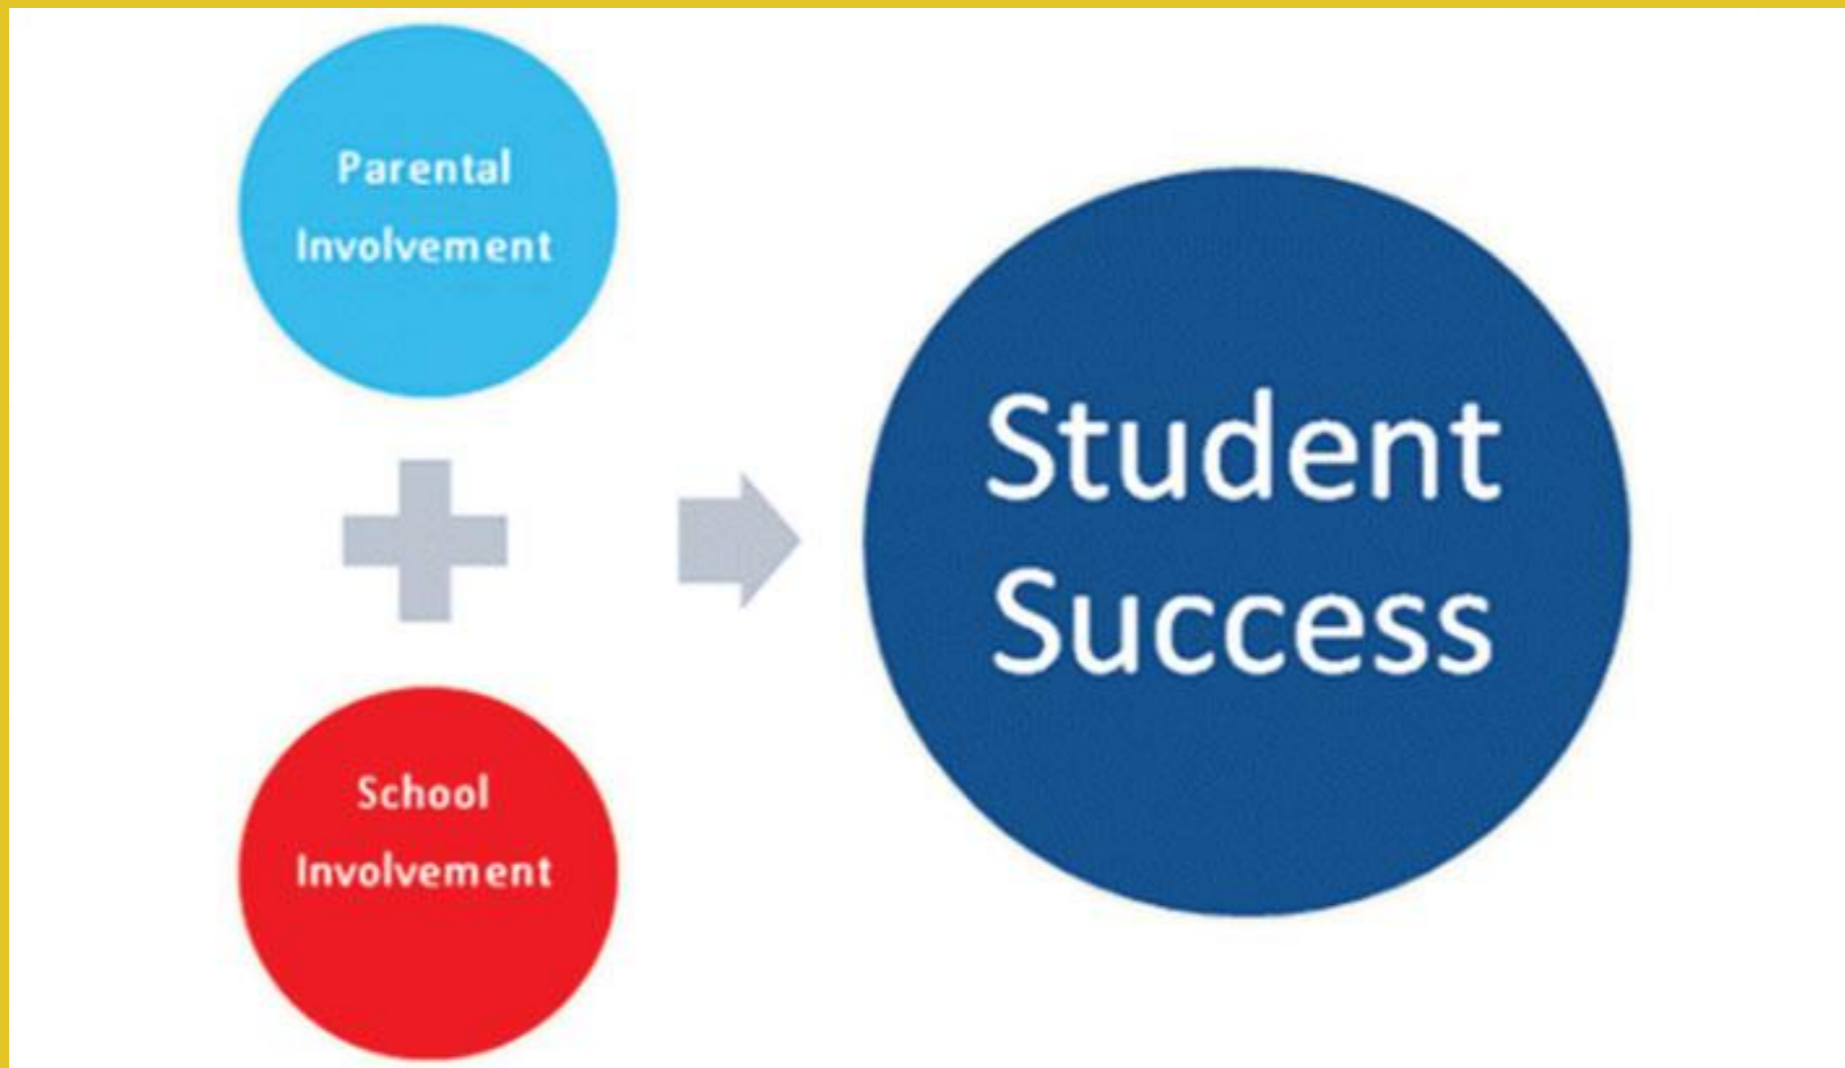

## Impact

**The attitudes and aspirations of parents and of children themselves predict later educational achievement.**

# Forms of Parental Involvement

# Forms of Parental Involvement

Prepare an effective learning environment

Make an effort to become familiar with your children's educational program.

Involving in children's homework

Ask about the children's homework, look at their homework, support them.

Setting up higher but realistic expectation for educational achievement.

Look at their strengths and support them in their short points

# Forms of Parental Involvement

Monitor child's learning process.

Allocate time for homework, chores, play time and dinner.

Limit how much time your children can watch TV.

Ask about the children's homework, look at their homework, support them.

Ask questions about your child's experience at school and have open conversations each day about school.

Participate in school events.

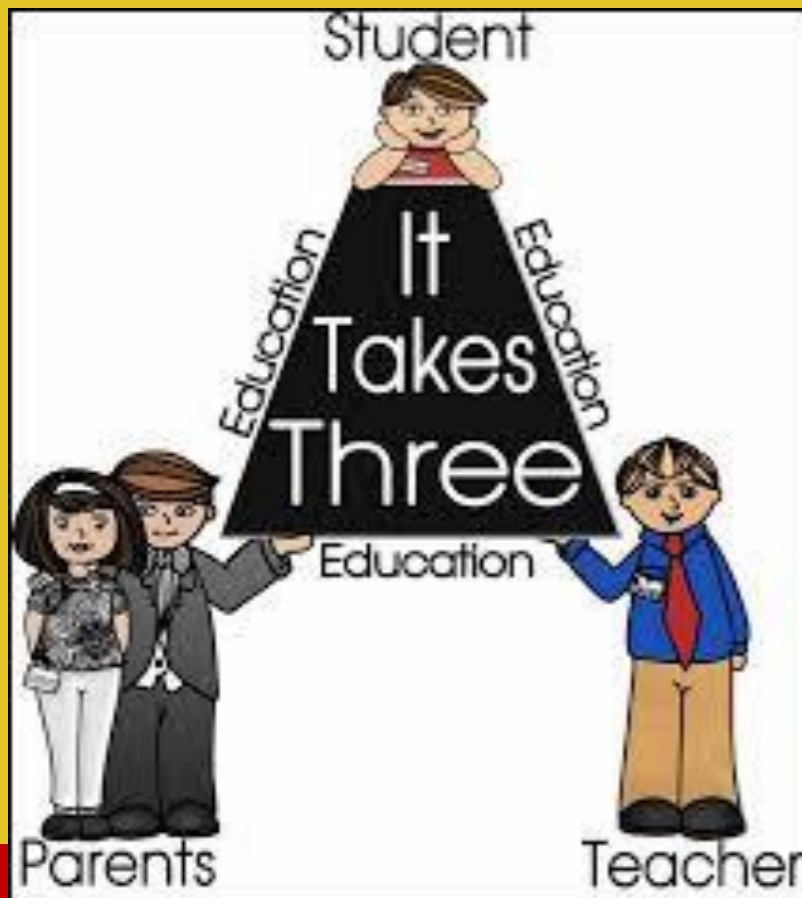

# Forms of Parental Involvement

Attend parent teacher conferences.

Volunteer with school activities.

Set aside time every day to read, sing or tell stories to your children.

Maintain a positive and supportive home environment to increase the morale of children.

**What is school time table?**

**Who teaches my son/daughter?**

**What marks did my son get?**

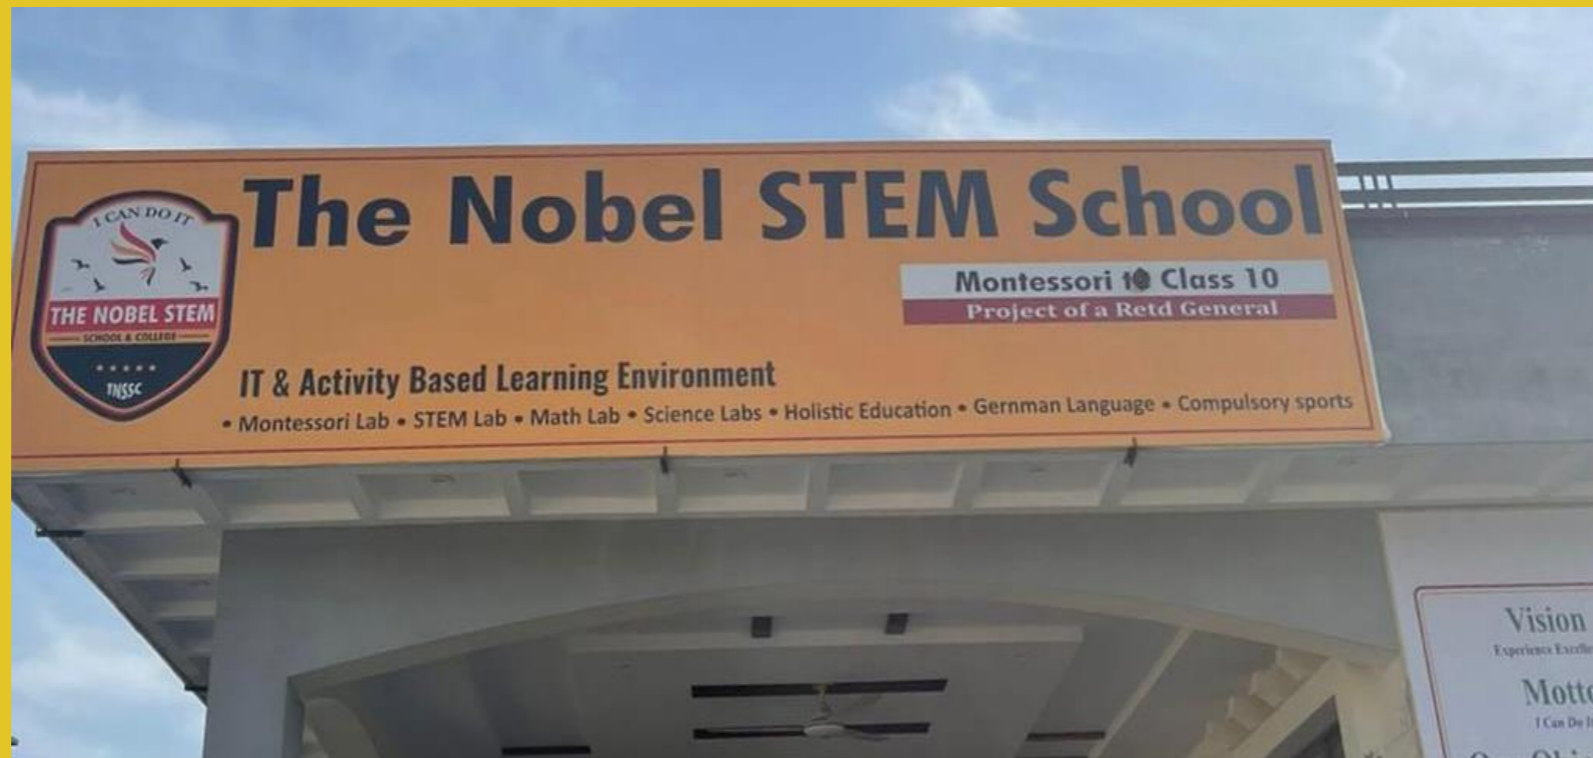

**Who is the form teacher?**

**What are the options for Year 9**

**What happens in STEM?**

**What sports do they will do in PE?**

**Where are more refreshments?**

**Who is in charge of English?**

**Where can I find out what topics they are studying?**

**Tell me about my daughter in German**

**How is my child in English lessons?**

**Why don't they get more homework!**

# Feedback Time
